NEW COLLECTION

TOMRiS
CLOUD BED

Your Little One's Independent Sleep Space

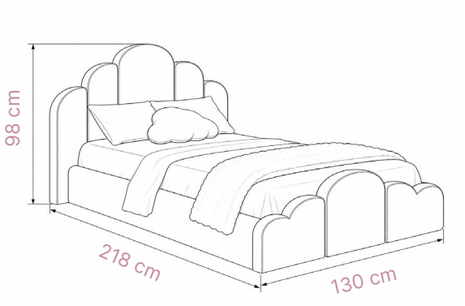

Tomris cloud bed has been designed and developed by us to be one of the lowest beds that we do.Virtually so low your very young child can get safely in and out which studies have shown this to encourage independence and also helps settle children to sleep.

DIMENSIONS

MATERIALS & CONSTRUCTION

High-Quality Upholstery Fabric: Selected for its premium feel, durability, and elegant appearance.

Comfortable Foam Padding: Designed to provide a soft, comfortable feel and a beautifully upholstered finish.

Strong and Durable Inner Frame: Built with a robust internal frame for reliable support, stability, and long-lasting durability.

ADA
BED

Little Dreams, Timeless Elegance.

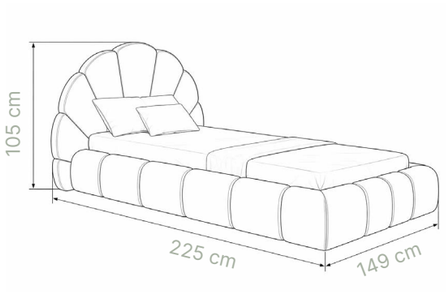

A Statement of Style, All on Its Own

A beautifully crafted bed that stands out through its quality and timeless design. With elegant curves and carefully finished details, it transforms any bedroom on its own, without the need for additional furniture. Timeless design. Exceptional quality. Effortless elegance.
